25/18	Minutes of the April 2025 AGM

	T	
	These were agreed as a correct record and were signed by the Chair of the meeting.	
	Proposed by: Stuart Elborn; Seconded by: David Jackson; unanimously agreed	
25/19	Chairman's Report	
	The Chairman reported that there had been HALC meetings since the last HDAPTC meeting, and he had been appointed as a HALC Director at the Board meeting on 12 May. There had been discussion on Local Government Reorganisation (LGR) and two briefings, one organised by Hampshire County Council (HCC) and one on behalf of HDC, Basingstoke and Rushmoor, had been arranged for 15 July 2025.	
	At the Board meeting, HALC had confirmed that they had been in discussion with Rushmoor regarding the potential for Parishing areas.	
	HALC had also confirmed that there would be a small increase on the fee structure on the capped amount, and that the training fee structure will remain the same.	
	There had also been a briefing from Hart District Council (HDC) on the ongoing community governance review.	
25/20	Treasurer's Report	
	The Treasurer reported that there were still some issues around her becoming a signatory on the bank account but it was hoped these would soon be rectified. The bank balance stood at £761.78 as at 12 June 2025, with two outstanding invoices amounting to £85.20, relating to the previous year. The bank balance therefore stood at £676.58 once these had been paid. The previous Secretary advised that he had not been paid by the Association during the previous two years, but the previous Chairman had paid him from his own pocket. There was the possibility therefore that this amount might be reclaimed from the Association.	
	Chair and Chair would approve any invoices for payment, with the Treasurer making payment from the Association account.	

		T 1
	An arrangement had been agreed with the new Secretary	
	for a rate of £15.50/hr for six hours per meeting, which would cover ancillary work required between meetings.	
	would cover allolliary work required between meetings.	
	It was also noted that a grant application would need to be	JA
	made. The grant, from HALC, was £400. Approval of the	
	grant application would be considered at the next meeting	
25/21	Hart Update	
	Hart had provided a written update on this occasion, and a	
	suggestion had been made that an invite be exended to	
	the Leader of Hart Council to attend to provide updates at future meetings. The Chair would write to the Leader to	SA
	invite him to the next meeting.	JA
	milita milita di mokemboding.	
	Discussion took place around inviting an Officer of the	
	Council to attend meetings as well as the Leader, and the	
	consensus was that Parish and Town representatives	
	would find this very useful. The Chair would write to the	SA
	Chief Executive of Hart to ask that an Officer, preferably from the Planning Department, be made available to attend	
	meetings. Concern was expressed that there was a lack of	
	communication in general from Hart, and that as such	
	Parishes felt that they were "in the dark" about what was	
	happening at District level.	
	Association members were reminded that Hart was fully	
	parished, Basingstoke partially parished and Rushmoor	
	had no parishes at all. How these different set ups would	
	be amalgamated in the move to a single unitary would	
	remain to be seen. Discussion then took place around	
	whether it was felt that the Associations for all 3 District/	
	Borough Councils should be amalgamated. It was agreed	
	that it would be interesting to hear how HALC envisaged	
	the way forward. The Chair would ask the question at HALC's next meeting.	SA
	Le c note moding.	
	It was felt that there was also sometimes issues with	
	getting communications through Clerks to the Town and	
	Parish Councillors. To help counteract that, the Secretary	
	would ensure that the distribution list for the Association	
	was checked to ensure it was up to date and included all Chairs as well as anyone else who expressed an interest.	
	Onans as wen as anyone else who expressed an interest.	
25/22	Local Government Reorganisation (LGR) Update	
	Hart's Chief Executive had circulated a written update for	
	information.	

	_	·
	There was to be a briefing meeting for all Town and Parish Councillors across Hart, Basingstoke and Rushmoor on 15	
	July 2025, commencing at 6.30pm. There was a request that this be recorded for those who were unable to make it.	
25/23	Asset Transfer in Advance of Reorganisation	
	Hart had said that it was for Parish Councils to advise which assets they would be interested in taking over from Hart when the District was subsumed into the new Unitary. Association members felt that it would be difficult for Parish Councils to be able to do this if they did not know what was available, and that Hart should provide a list of all assets that would be available for transfer to Parish/Town councils.	
	A request would be made of Hart for a list of assets that were available for transfer, so that full consideration could be made by individual Parish/Town Councils. Similarly, a request would be made of County for a list of those assets that they had that would be available for transfer to Parishes, so that these could also be considered.	
25/24	Community Governance Review	
	The proposals for the Community Governance Review had now been published and were available for commenting on by individuals as well as Parish/Town councils.	
	Meyrick had sent an email to Hart's Chief Executive with some further questions regarding the review and had been disappointed by the response received. A copy of this email and the response sent, would be circulated for information.	SB (complete)
	In general, the consensus was that there was unlikely to be any changes requested except for in Odiham, where an additional two councillors were to be requested.	
25/25	Parish/Town Council Reports	
	Reports were given by those members in attendance, and details are attached.	
25/26	Date and Venue of Next Meeting	
	The next meeting will be held on Tuesday 30 September 2025.	
	Thank you to Elvetham Heath Parish Council who have volunteered to host the meeting, which will be held at The	SB (complete)
